The elevation continued on and on up till to date, ever since it has started the journey, the train of fashion and garments industry has witnessed immense changes which not only enhance the quality of certain garments brands and their sourcing methods, it has also incorporated a whole host of manufacturing and sourcing compliance issues too. Fortunately, now Bangladesh is the second largest garments exporter in the world, keeping pace with the ongoing worldwide progression, Bangladesh garments industry has accommodated itself with the fullest possible efficiency and it has been acclaimed as the upcoming fashion giant for all quality garments.

The word '**FiBER DRESSER**' translates to harmony, or an agreement between groups. We are passionate about what we do and the people we work with, and it's through harmony that we achieve this goal. We understand that fashion and colours create associations and emotion, and with this in mind, we imagine, create and commercialise collections to increase brand recognition and customer engagement.

#### Mission

Our mission is to be an all rounded customer centric firm with a focus on product creation as the focal point of our organisation. We aim to provide a flair in fashion products through sustainable sourcing, quality excellence and competitive pricing. We invest in human capital development, thus building an inspired team that forges long-term strategic partnerships.

# PRODUCTS STRENGTH

The history of fashion is inseparably involved not only with human civilization; it is also related with the same journey of the evolution of human flourishing. The day of shame to counteract the peak of fashion started from that day. And then Clothing & Fashion underwent transformations in the early modern world. Reflecting the changing ecological, social, political, religious and economic forces of which refers to a prevailing mode of expressions, the needs of the changing preferences, we are always trying to feel your feelings, and we know the secrets of any complicated looks of fabrics & accessories.
